Home Brew Samples

Thank you to Terry Boyd, of Mountview Plaza Wines & Liquor, for his exceptional effort in securing the participation of these fine Brewers, Breweries & Brewpubs!

IMPORTANT:

• To ensure a long-lasting supply of brew for all attendees, brewer & brewpub participants will only pour 3 oz tasting portions. Attendees will be able to enjoy an "unlimited" tasting experience from the 250 or more brews presented – **but please remember it is up to you to enjoy responsibly**

• Attendees may bring pint glasses or other drinking vessels into the Brew Fest & brewers will be selling pint glasses as they have in the past – but no pours will be made by servers directly into large glassware. Pours will be made into plastic tasting cups (provided at Brew Fest) and Brass City Brew Fest 7 oz tasting glasses only. The 7 oz tasters will be available for purchase for \$3 (2 for \$5). If you've purchased a BCBF tasting glass in the past, you may bring it with you.

• To address the beer shortage of last year, the Brass City Brew Fest has purchased and the brewers & distributors have providing additional product in order to ensure that the tasting session continues thru at least 4 pm.

• And to guarantee a supply of brew thru the duration of the Brew Fest, we have launched a Craft Brewers Showcase that will feature the beers of up to a dozen CT and regional brewers. Beginning at 3 pm, this separate Showcase tent will open & begin pouring. Attendees will be able to purchase lots of ten 3 oz pour tickets for \$5 (50¢ per 3 oz pour) and redeem those tickets at the Showcase tent until the 5 pm conclusion of the event.

• Brewers in Tents 1-6 & the Belgian Tents will continue to pour product until it has all run its course.
